**School of
Education
& Humanities
UNIRAZAK**

SEH is committed to providing coherent, developmental-based teacher education programmes that prepare potential students to establish and work within the teaching and learning communities to maximise their potential and that of their future students. The programmes offered by SEH promote collaborative learning and critical reflection to develop a community of lifelong learners who can respect diverse perspectives, make informed decisions, and be responsive to the changing needs of individuals in our society. Our programmes are designed based on the philosophy that knowledge is power and every child deserves to be taught by quality professionals who believe all children can learn.

Thus, the school aims to ensure graduates acquire professional knowledge, develop

professional skills, and exhibit the dispositions needed to be effective teachers and valuable members of society. SEH offers pertinent programmes in education and language that prepare its graduates to accept, honour and enhance diversity among learners and discover their teaching capability through reflection and progressive field experiences. Today, SEH is proud to provide a total of 10 programmes, namely Diploma in Early Childhood Education, Bachelor of Education (Early Childhood Education) (Honours), Bachelor of Education (Early Childhood Education) (Honours) 2u2i, Bachelor of Education (Honours), Bachelor of English (Honours), Master of Education (ODL), Master of Early Childhood Education, Master of Early Childhood Education (ODL), Master of Education (TESL), Postgraduate Diploma in Education and Doctor of Philosophy in Education.

Bachelor of Education (Early Childhood Education) (Honours)

R2/141/6/0042 (01/27) A10949

This programme is specifically designed for individuals passionate about being an educator equipped with professional knowledge, skills and innovative ideas to engage and inspire young minds. Our programme has distinct features to enhance your credentials as educators and prepare you with industry-aligned communication and analytic skills that are much required in this industry. The programme provides opportunities to qualify for practical value and relevance to your future undertakings. Each course has provided opportunities to develop a scholarly approach to early childhood education and the acquired expertise necessary for working with young learners.

Study Mode: Flexible Learning

UNIRAZAK provides a flexible learning mode for its programme, which allows you to learn from any location and at your convenience. It is to access better learning and better student experience.
