UNIRAZAK**

SEH is committed to providing coherent, developmental-based teacher education programmes that prepare potential students to establish and work within the teaching and learning communities to maximise their potential and that of their future students. The programmes offered by SEH promote collaborative learning and critical reflection to develop a community of lifelong learners who can respect diverse perspectives, make informed decisions, and be responsive to the changing needs of individuals in our society. Our programmes are designed based on the philosophy that knowledge is power and every child deserves to be taught by quality professionals who believe all children can learn.

Thus, the school aims to ensure graduates acquire professional knowledge, develop

professional skills, and exhibit the dispositions needed to be effective teachers and valuable members of society. SEH offers pertinent programmes in education and language that prepare its graduates to accept, honour and enhance diversity among learners and discover their teaching capability through reflection and progressive field experiences. Today, SEH is proud to provide a total of 10 programmes, namely Diploma in Early Childhood Education, Bachelor of Education (Early Childhood Education) (Honours), Bachelor of Education (Early Childhood Education) (Honours) 2u2i, Bachelor of Education (Honours), Bachelor of English (Honours), Master of Education (ODL), Master of Early Childhood Education, Master of Early Childhood Education (ODL), Master of Education (TESL), Postgraduate Diploma in Education and Doctor of Philosophy in Education.

Bachelor of Education (Honours)

A bachelor's degree in education can prepare you for various jobs and careers. Prospective students may consider pursuing their bachelor's degree in education at UNIRAZAK. The programme prepares the graduate for a rewarding career helping young learners acquire the knowledge and skills they need to succeed. In addition, besides being suitably qualified for teaching jobs, those who earn a degree in education can find careers in related roles, such as adult education or training in corporate environments or the non-profit sector. Due to growing demands in critical areas like Language And Literature, Mathematics, Bahasa Melayu, and Special Educational Needs Dan Bahasa Kadazan Dusun, this specially designed education programme emphasises teacher/instructor-led preparation in these fields. Exposure to current technology trends in teaching and learning applications allows our students to create, participate and interact with instructors and students through video conferencing as part of their coursework. This programme also features social applications enabling students to interact and collaborate with peers through an online community site or virtual environment, simultaneously building technology skills essential for leading and guiding learners in the classroom.
